

Local Communities and Indigenous Peoples Platform

An informal briefing with LCIPP contributors

24 March 2022

Housekeeping

- For this event, we have interpretation in Spanish;
- If anyone would like to make a comment or ask a question, please indicate this in the chat;
- We will be monitoring the chat and pass the virtual floor to those who wish to speak at the appropriate time;
- Please stay on mute when you are not speaking;

Topics for discussion

- Outcomes of COP26
- LCIPP second three-year workplan
- Timeline of LCIPP events for 2022
- Upcoming events in June session (SB 56)
- Web portal Submissions
- Menti discussion

Outcomes of COP26

How indigenous peoples involvement helped shape global climate policy & actions

COP 26 decision text related to indigenous peoples and local communities

Emphasis	Excerpt from decision
Focus on engagement and sharing of good practice	Glasgow Climate Pact, para 66: “Emphasizes the important role of indigenous peoples’ and local communities’ culture and knowledge in effective action on climate change, and urges Parties to actively involve indigenous peoples and local communities in designing and implementing climate action and to engage with the second three-year workplan for implementing the functions of the Local Communities and Indigenous Peoples Platform, for 2022–2024”
	Decision 16/CP.26: 7. Recommends that the activities under the second three-year workplan facilitate exchange of experience between indigenous peoples and local communities and Parties of approaches to managing all ecosystems , which are key to achieving the objectives of the Convention and the Paris Agreement, in order to enhance national climate policy, including nationally determined contributions ;
	Decision 16/CP.26: 10. Invites Parties and stakeholders to enhance engagement of indigenous peoples and representatives of local communities in diverse and innovative ways in addressing and responding to climate change;
Synergies / contributions to other work under the UNFCCC	Decision-/CMA.3 on Glasgow-Sharm el-Sheikh work programme on the GGA , para 9: “Decides that activities carried out under the work programme should build on the work of the Adaptation Committee related to the global goal on adaptation, draw on a variety of sources of information and inputs, including national adaptation plans and adaptation communications, take into account traditional knowledge, knowledge of indigenous peoples and local knowledge systems , and be gender-responsive;
	Market mechanism (PA 6.4): recalls PA preambular text, Supervisory Body engages with Local Communities and Indigenous Peoples Platform; activities to mitigate and trade carbon “Shall undergo local and, where appropriate, subnational stakeholder consultation consistent with applicable domestic arrangements in relation to public participation and local communities and indigenous peoples, as applicable;”

Overarching progress made at COP26

Reducing greenhouse gas emissions

- Glasgow Climate Pact: keeping 1.5 degree C alive
- Article 6.4: requires consultation with indigenous peoples and local communities

Dealing with adverse climate impacts

- Global Goal on Adaptation (GGA)
- Adaptation communications (Adcoms)
- Loss & damage dialogue

Cross-cutting

- Adopted Action for Climate Empowerment (ACE) Glasgow work programme
- ACE Youth Dialogue
- Opportunities for involvement in the Global Stocktake (GST)

Activities in LCIPP second three-year workplan 2022-2024

Knowledge

Activity 1:
Annual gatherings
at COP

Activity 2:
Regional gatherings

Activity 3:
Curricula & educational
materials

Capacity for Engagement

Activity 4:
Training workshops for
indigenous peoples and
local communities

Activity 5:
Training workshops for
Parties and other
stakeholders

Climate Policies & Actions

Activity 6:
Collaboration with
other constituted
bodies

Activity 7:
Multi-stakeholder
workshop at COP

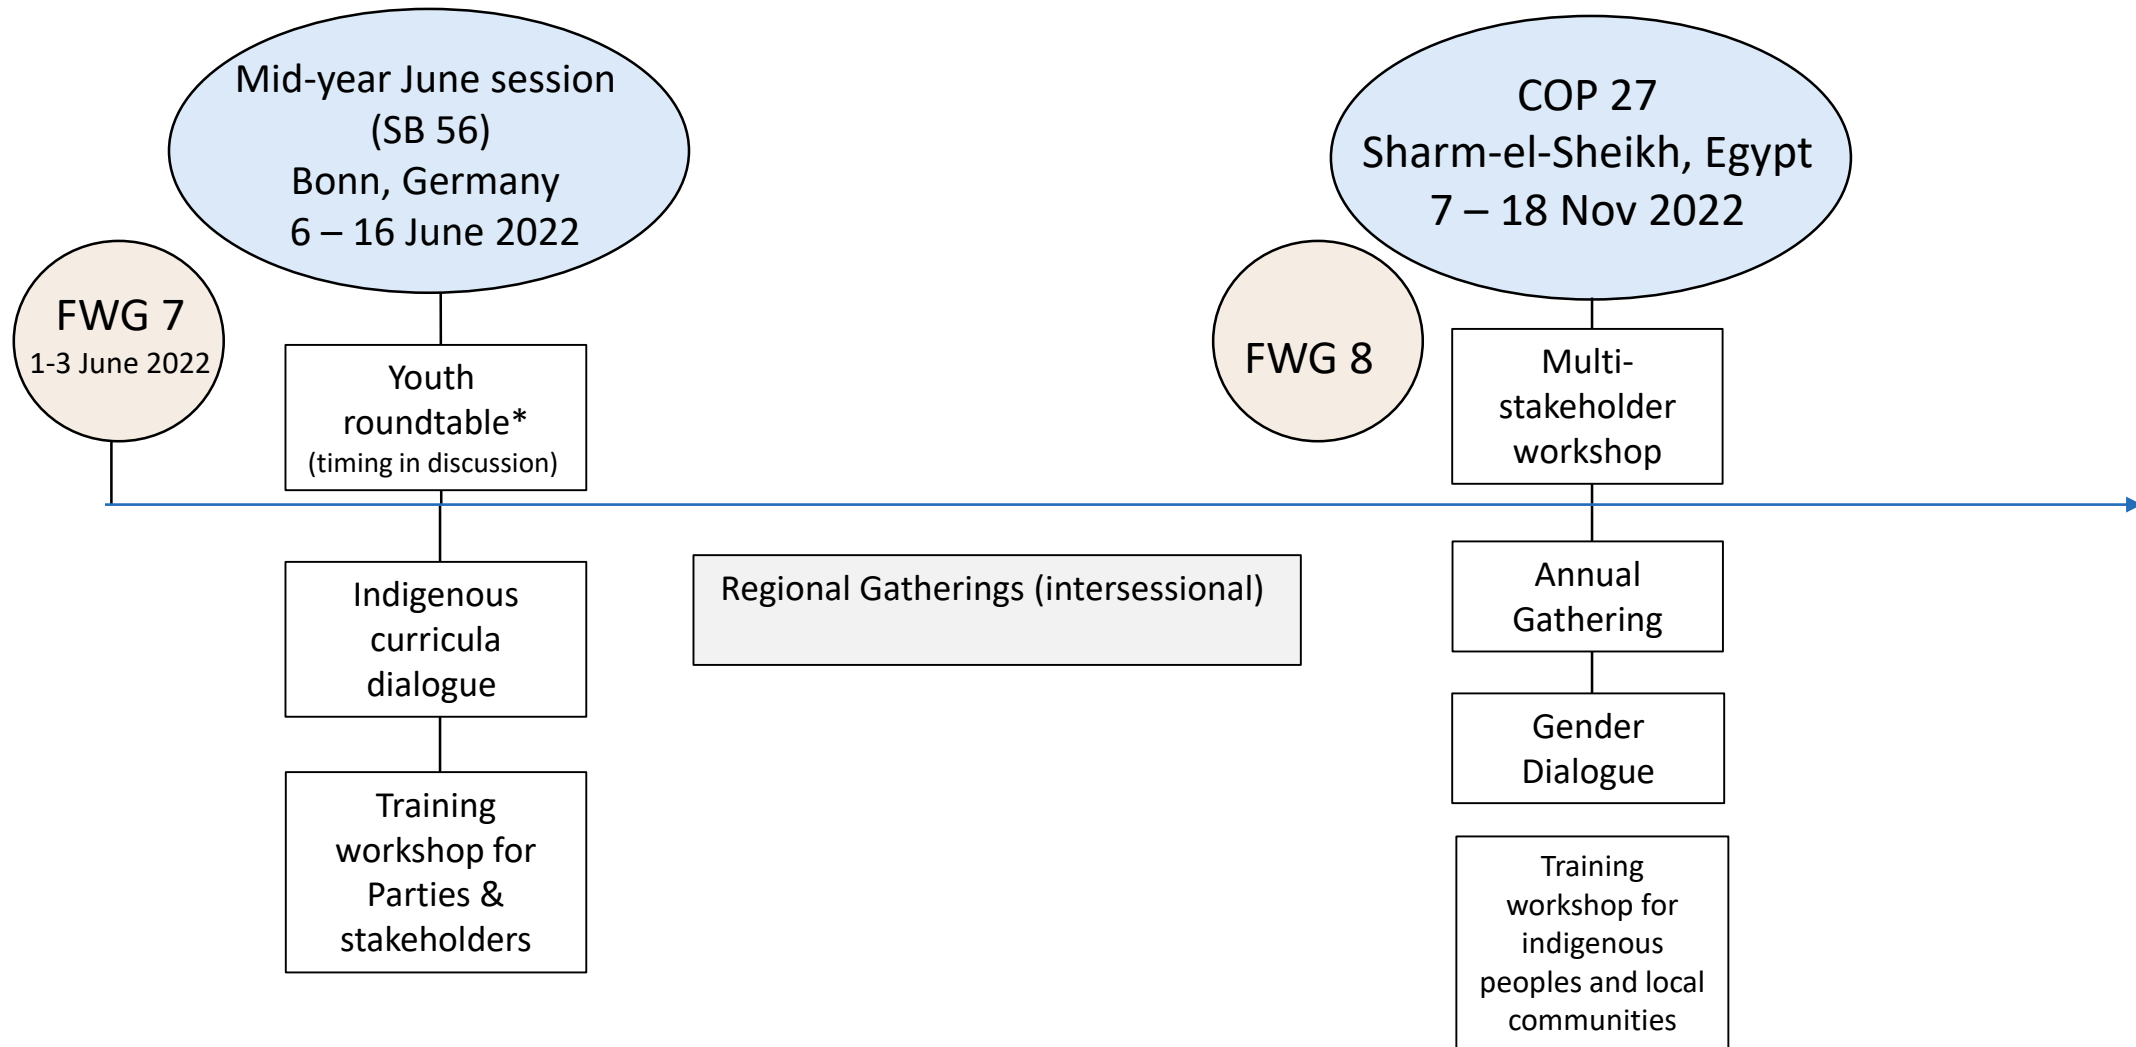

Cross-cutting

Activity 8:
Youth Roundtable

Activity 9:
Communication

Indicative timeline for LCIPP Activities 2022

Events to engage in at SB 56 (June 2022)

LCIPP Events

- 7th Meeting of the Facilitative Working Group (FWG 7); Date: 1-3 June
- Indigenous curricula dialogue (*Date TBC*)
- Training workshop for Parties and other stakeholders (*Date TBC*)

Other UNFCCC events

- Action for Climate Empowerment Hub
- Global Goal on Adaptation workshop
- Loss and damage expert dialogue
- Global Stocktake technical assessment
- IPCC AR6 roundtables, workshops

Get involved via the LCIPP web portal
