

Co-chair's Note summarizing Decisions
8th Meeting of the Facilitative Working Group
(01 – 04 November 2022)

FWG agreed by consensus on the following matters at its eighth meeting:

1. FWG requested the secretariat to prepare an informal written annual report to the FWG on the implementation of the second three-year workplan of the LCIPP by February 2023, building towards the LCIPP review in 2024.
2. FWG decided to update its input to the technical dialogues of the Global Stocktake (GST).
3. FWG decided to develop a clear timeline to facilitate the intersessional work to update and submit its input to the GST process by 31 March 2023.
4. FWG decided to prepare a written submission to the two-year work programme on the Global Goal on Adaptation (GGA) by June 2023.
5. FWG decided to invite the Chairs of the Subsidiary Bodies to consider dedicating a thematic focus area of the GGA workshops to engage indigenous peoples and local communities in the GGA discussions, and co-design the session with members of the FWG.
6. FWG agreed to hold an in-person retreat in early 2023 to discuss ways to enhance planning, accountability, and implementation of the second three-year workplan of the LCIPP.
7. Subject to the availability of funds, FWG may be represented in regional gatherings and mandated LCIPP events during sessions.
8. FWG agreed to continue promoting the application of LCIPP at the national and regional levels.
9. FWG agreed to update the draft informal working modalities in accordance with the COP draft rules of procedure, by February 2023
10. FWG agreed to consider additional participatory and innovative practices in the organization and design of FWG meetings intersessionally. The organization and design of FWG meetings can draw on the members' reflections from its eighth meeting.
11. FWG invited the secretariat to document the meeting proceedings of FWG 8, including a summary of operational conclusions.
