### About COP29

 United Nations Climate Change |  COP29 Baku Azerbaijan

The Conference of the Parties (COP) is the premier global forum of the United Nations Framework Convention on Climate Change (UNFCCC), dedicated to addressing climate change.

Comprising 198 countries and the European Union, COP is the highest decision-making body on climate issues under the UNFCCC.

The 29th session of COP (COP29) will take place in Baku, Azerbaijan from 11 to 22 November 2024. This two-week global mega-event will gather heads of state, climate experts, political leaders, young people, and civil society actors to collaborate on the urgent challenge of climate

The Green Zone is an inclusive space that creates dynamic opportunities for representatives from various sectors to spark constructive dialogue and fruitful collaboration. The platform will serve as a hub to:

Facilitate the establishment of cooperative relationships

Promote the active and decisive roles of both the government and the private sector

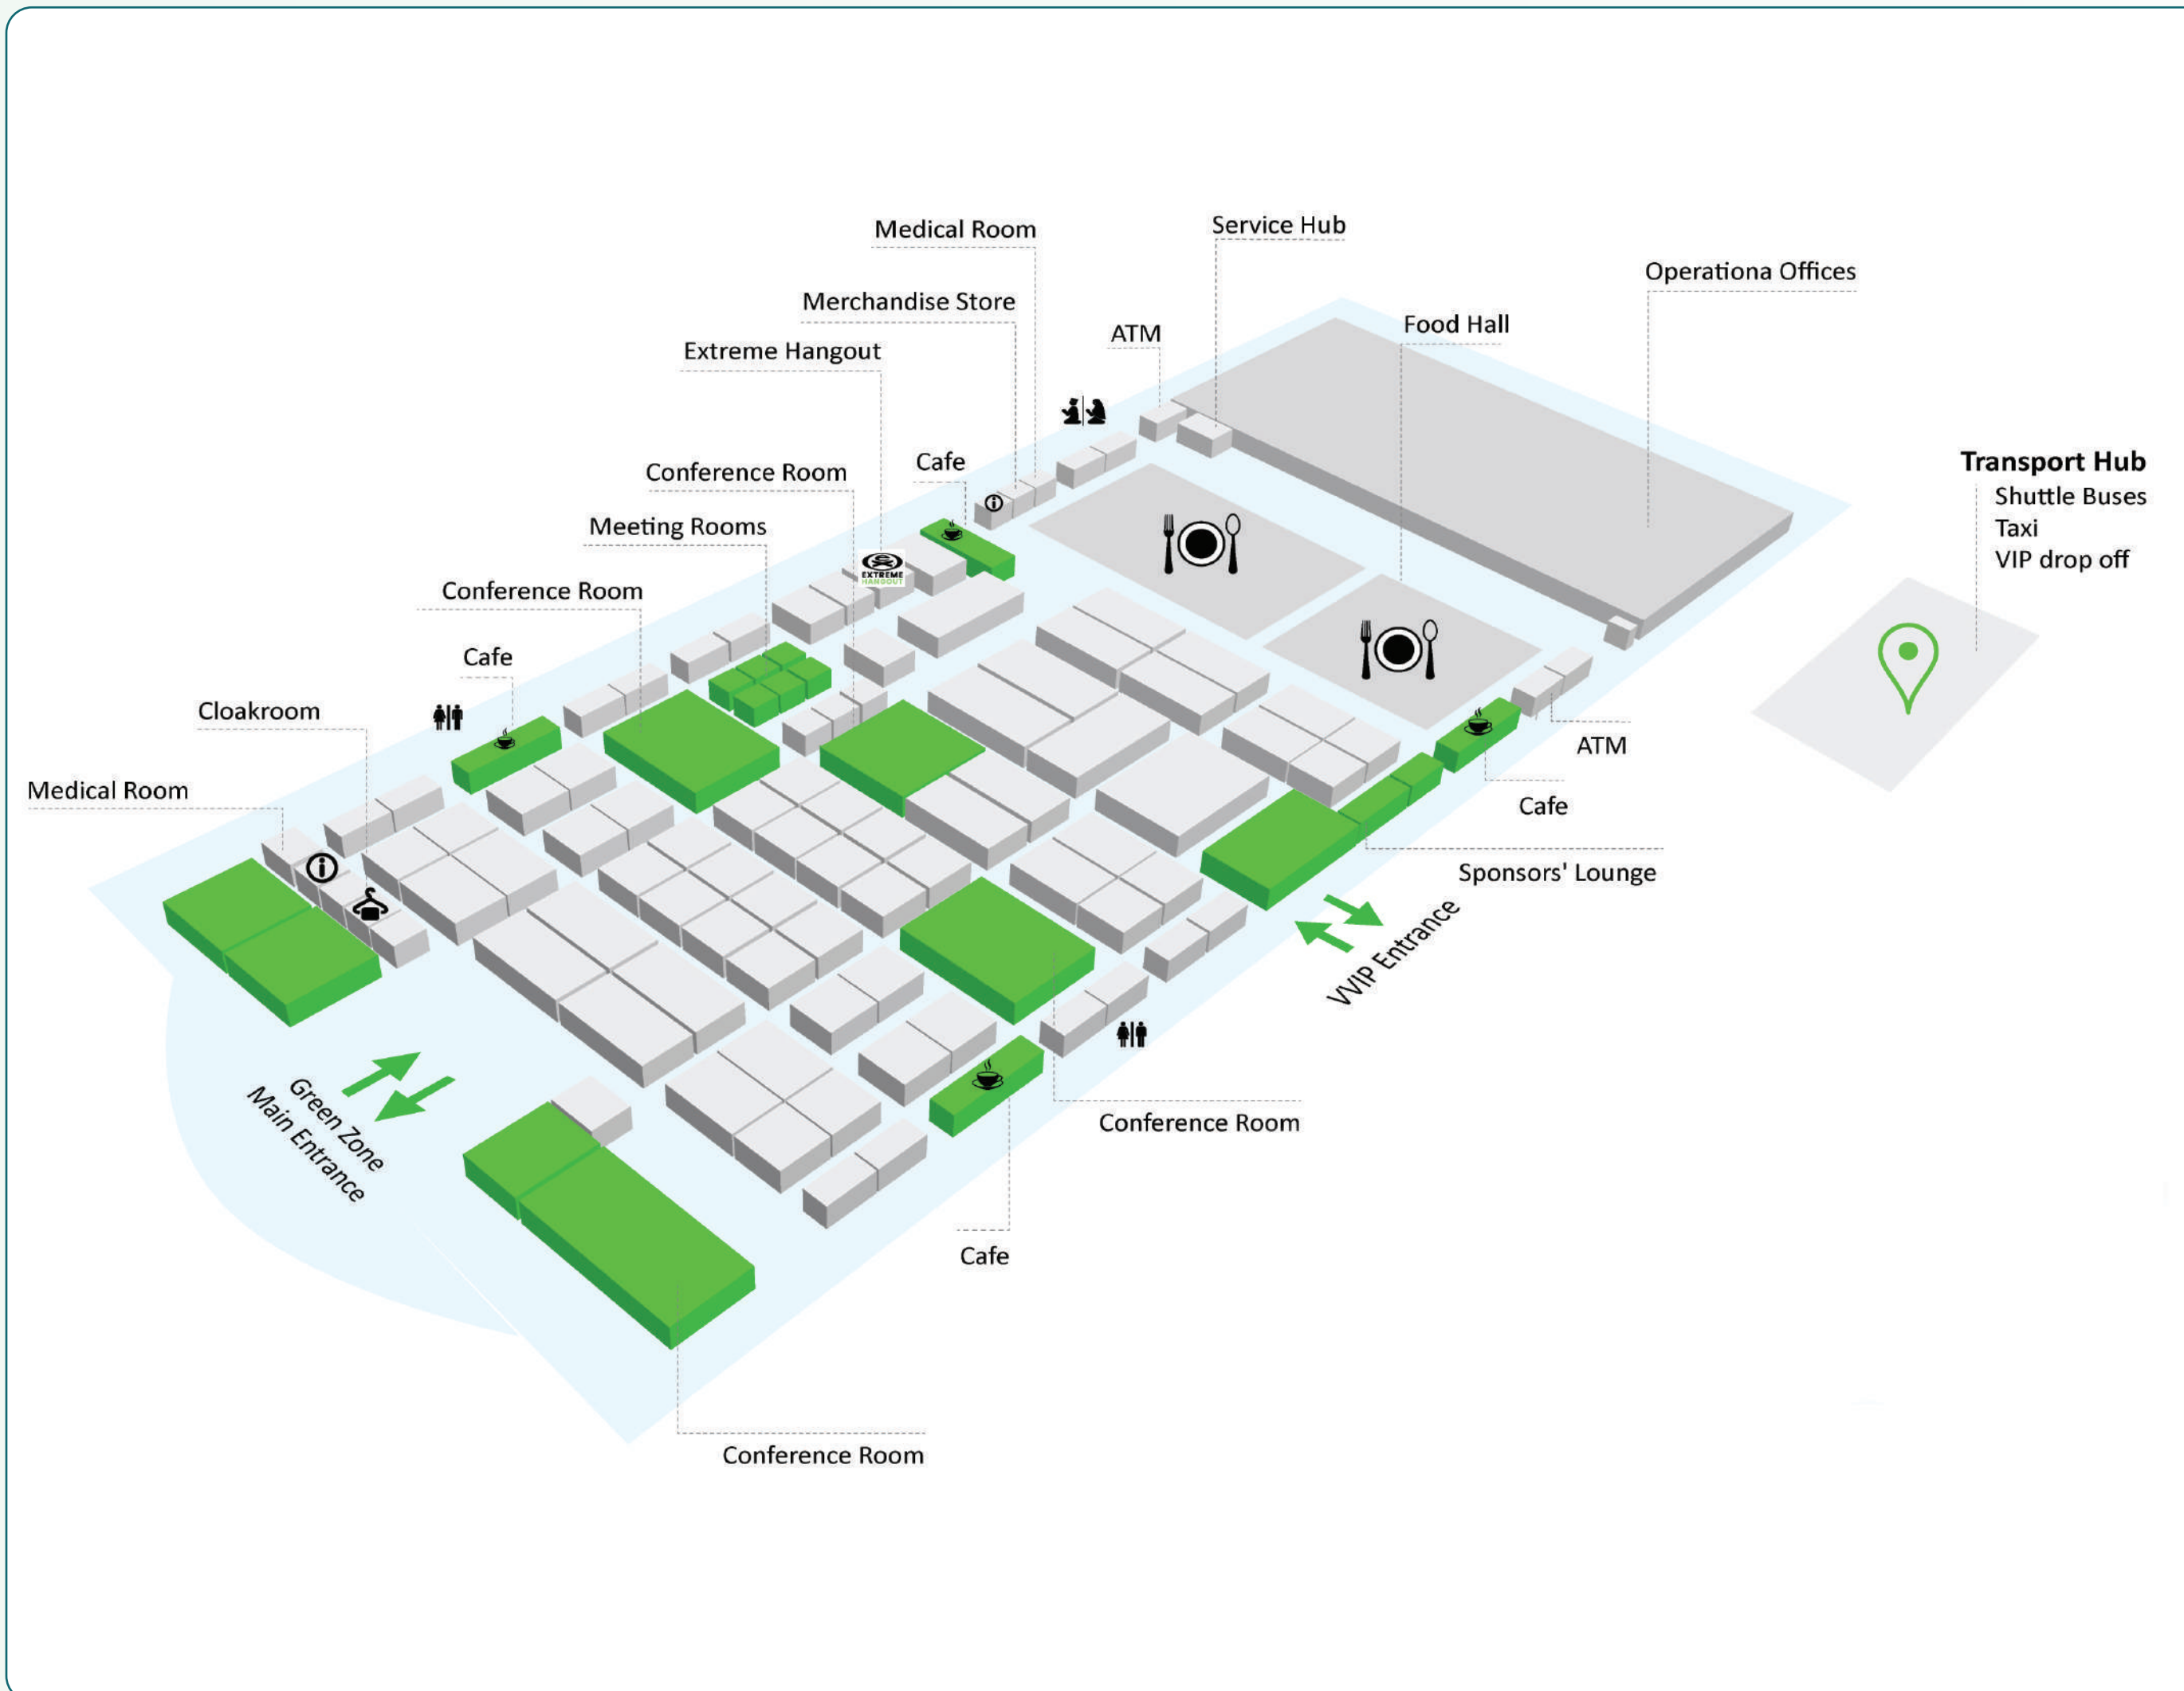

Demonstrate solutions to the global climate crisis

Showcase cutting-edge technologies, pioneering innovations, and entrepreneurial initiatives

**Individuals and organisations interested in being part of the Green Zone experience and explore the available opportunities are encouraged to visit**

# Sustainability, Accessibility and Inclusion

# Why Sustainability at COP29?

At COP29 we practice what we preach!

## Our mission

COP29 aims to minimize ecological impact and enhance societal participation, embodying sustainability and solidarity in all event aspects.

# Our Sustainability Commitments

## Carbon Neutrality

Achieve carbon neutrality by reducing greenhouse gas (GHG) emissions through renewable energy use, energy efficiency, and offsetting unavoidable emissions.

## Promotion of Sustainable Practices

Encourage sustainable practices such as reducing single-use plastics, promoting sustainable transportation, and adopting environmentally friendly procurement.

## Accessibility and Inclusivity

Ensure the event is accessible to all, regardless of physical abilities or socio-economic backgrounds, with a focus on youth, women, and underrepresented groups.

## Legacy and Continuity

Leave a positive legacy by supporting local sustainability initiatives and investing in long-term infrastructure and capacity building for ongoing climate action.

## Transparency and Accountability

Maintain transparency in decision-making and accountability for commitments, with regular reporting on progress toward sustainability goals.

## Collaboration and Partnerships

Foster partnerships with governments, organizations, civil society, and the private sector to address climate change and advance sustainability.

## Safety for All

Ensure all COP29 event activities prioritize health, safety and well-being

# Our Sustainability Targets

## Net-Zero Carbon

Achieve carbon neutrality across all scopes of GHG emissions.

## Energy

Grid power from renewable sources.  
On-site energy from hydrated vegetable oil (HVO),  
100% carbon neutral.

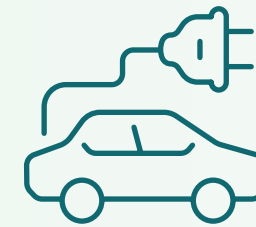

## Waste

100% waste diverted from landfills, comprehensive waste separation and composting.

## Legacy

Climate education curricula for secondary children.  
Integrating ESG in local business practices.

## Mobility

160 electric buses, 17 km micromobility lanes,  
50% hybrid / electric taxi fleet.

## Procurement

100% of strategic vendors with environmental plants  
80% local food sourcing.

## Capacity Building

100% of staff, vendors and volunteers trained in sustainability, broad access to online training courses.

## Community Engagement

Local sustainability initiatives promoted by COP29.

# Accessibility and Inclusion at COP29

## COP29 Accessibility features and facilities:

Accessibility will be ensured in meeting rooms, at canteens and commercial points.

Accessibility help desk will be available close to the registration area.

Accessibility venue tactile guide will be available at the help desk.

Sign interpretation services will be available onsite and live broadcasted for participants during the plenary sessions and will be available upon request for other meetings.

Wheelchair maintenance services and charging points

Event key locations will be accessible via buses and taxis

**Trained staff and volunteers to assist diverse client groups with accessibility features**

# Accessibility and Inclusion at COP29

## COP29 Accessibility features and facilities:

Accessible lines

Accessible signage

Tactile maps and Informational booklets available in Braille

Accessible personal screen room at PSA

Ramps installed according to international standards

Accessible registration lines on registration desk

Sunflower lanyards for individuals with invisible disabilities

Accessible restrooms

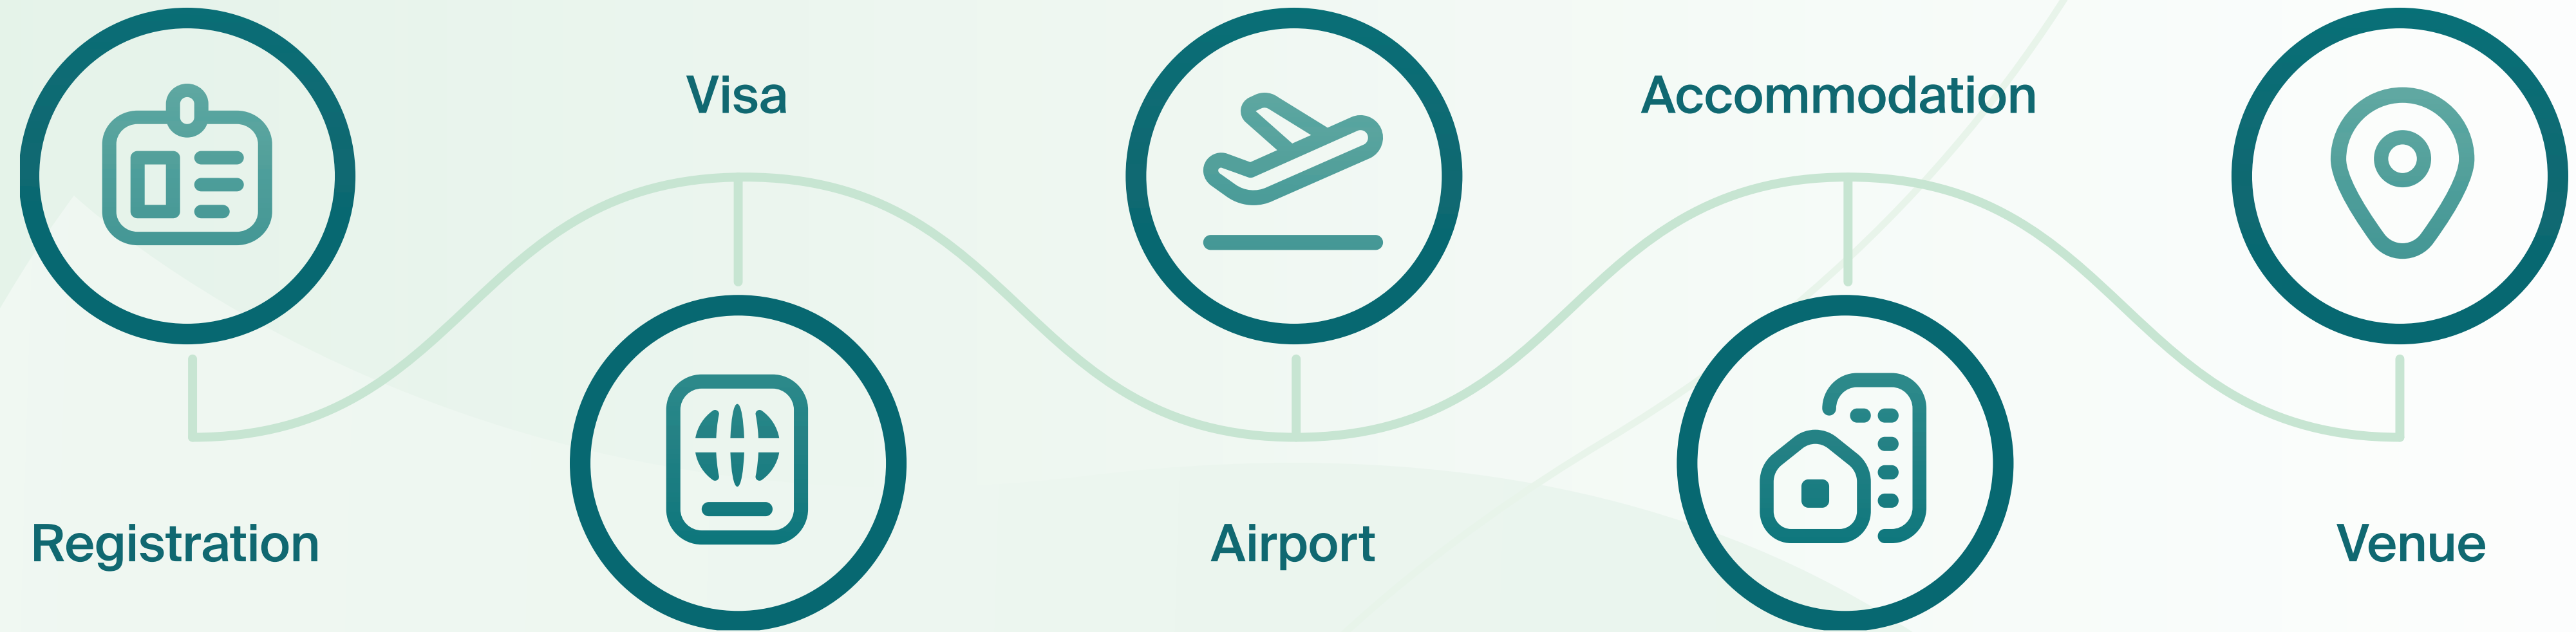

Quiet room

Inclusive nursing rooms

[accessibility@cop29.az](mailto:accessibility@cop29.az)

# Visitor Services

# Guest Journey

# Registration for COP29 Blue Zone

Parties to the Convention (including Heads of State and Government), United Nations and related organizations and agencies, media and non-profit organizations with observer should be registered through the online registration system (ORS).

National focal points are reminded to include the Head of State or Government and any accompanying officials in the online registration system in the corresponding national protocol to be included in the list of participants, as appropriate.

## Online Registration System:

For Parties and observer States, as well as for United Nations and related organizations and specialized agencies

24 June 2024–10 November 2024 23:59 (CET)

For admitted intergovernmental organizations and non-governmental organizations

**Nomination:** 24 June 2024–4 August 2024 23:59 (CET)  
**Confirmation:** 19 August 2024–10 November 2024 23:59 (CET)

# Green Zone Badges

Accreditation to the Green Zone will be carried out through the COP29 internal registration system. Entry for guests will be regulated by ticket.

# Transport Network Details

## Conference Shuttles

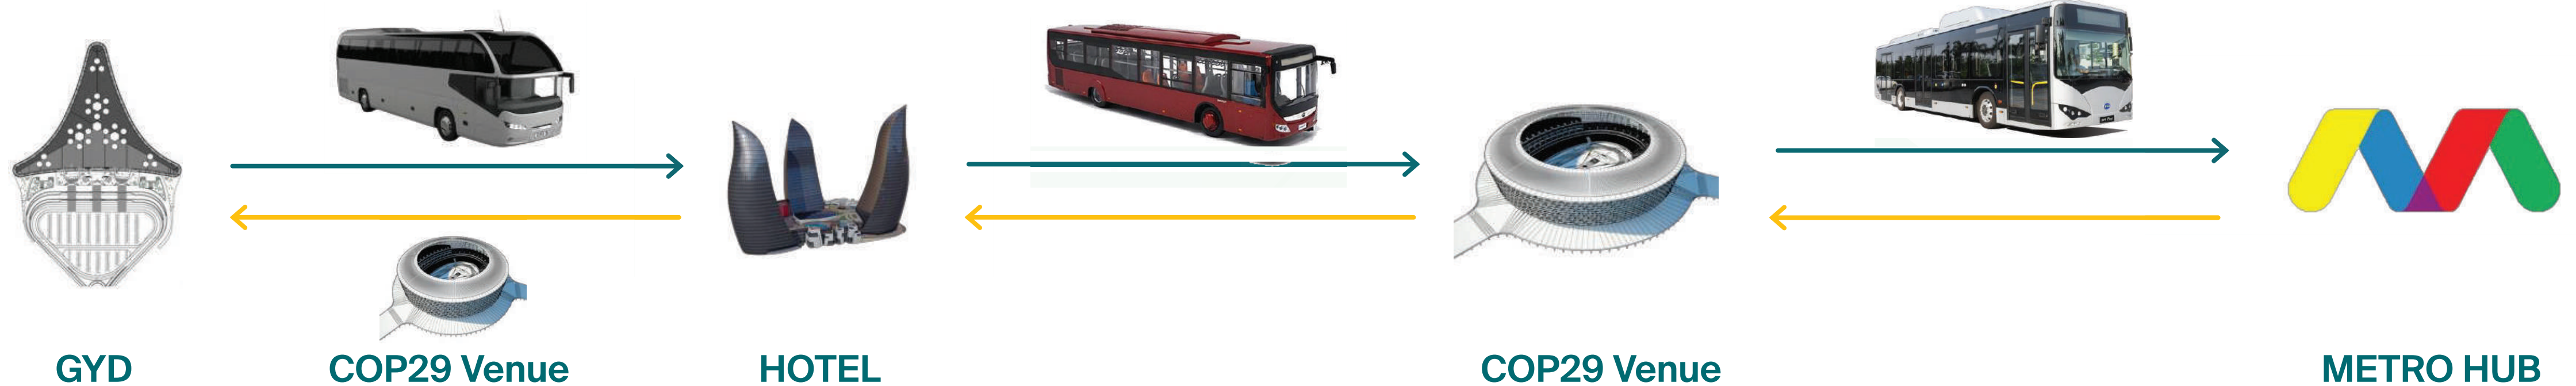

Available from 07:00 to 22:00, these shuttles will link various transport hubs with the Baku Stadium and other key locations.

## Airport Transportation

Operating 24/7, these shuttles will provide continuous service between Heydar Aliyev International Airport and designated transport hubs.

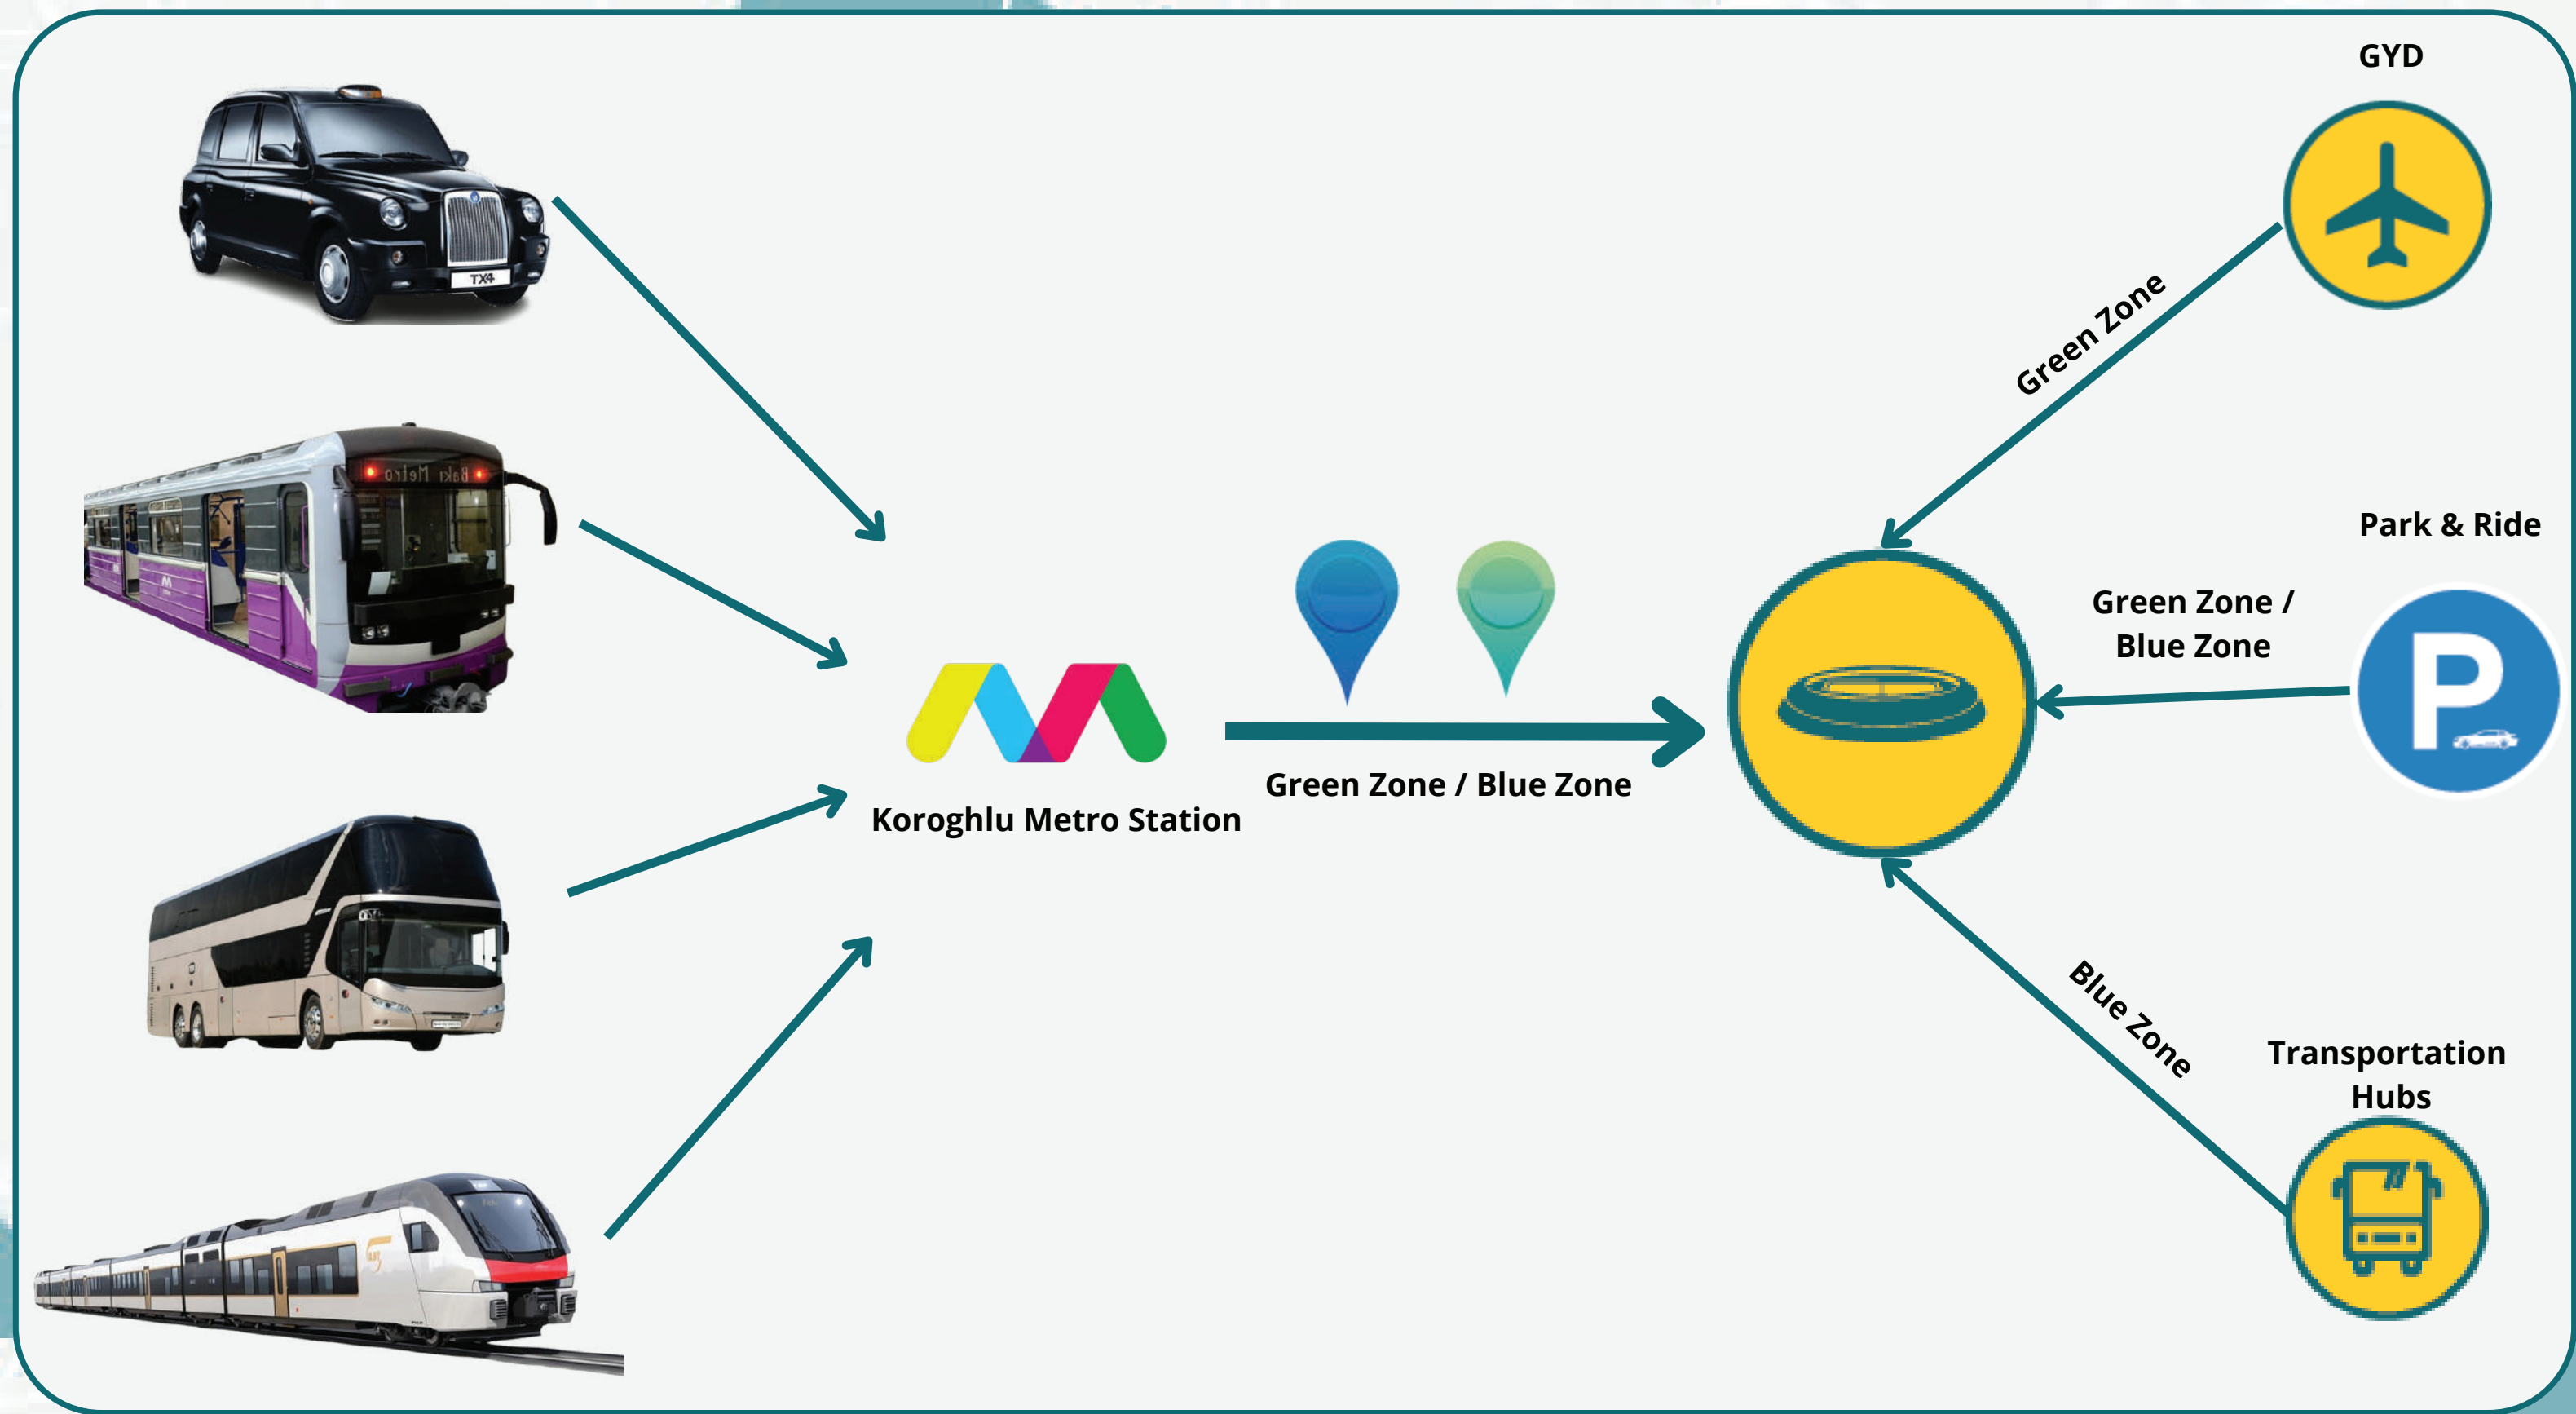

## Transfers

Additionally, dedicated buses will run between Koroghlu metro station and the Blue Zone, facilitating easy access for visitors arriving by metro, train, or regular taxis.

## Transfers

Additionally, dedicated buses will run between Koroghlu metro station and the Blue Zone, facilitating easy access for visitors arriving by metro, train, or regular taxis.

# Transport Hubs and Diversified Travel Options

**15** transport hubs will be established in areas where hotels and residential complexes are concentrated.

## City Hubs

Located in central areas with high concentrations of hotels and business districts, these hubs serve as key points where shuttle buses and taxis connect with delegates.

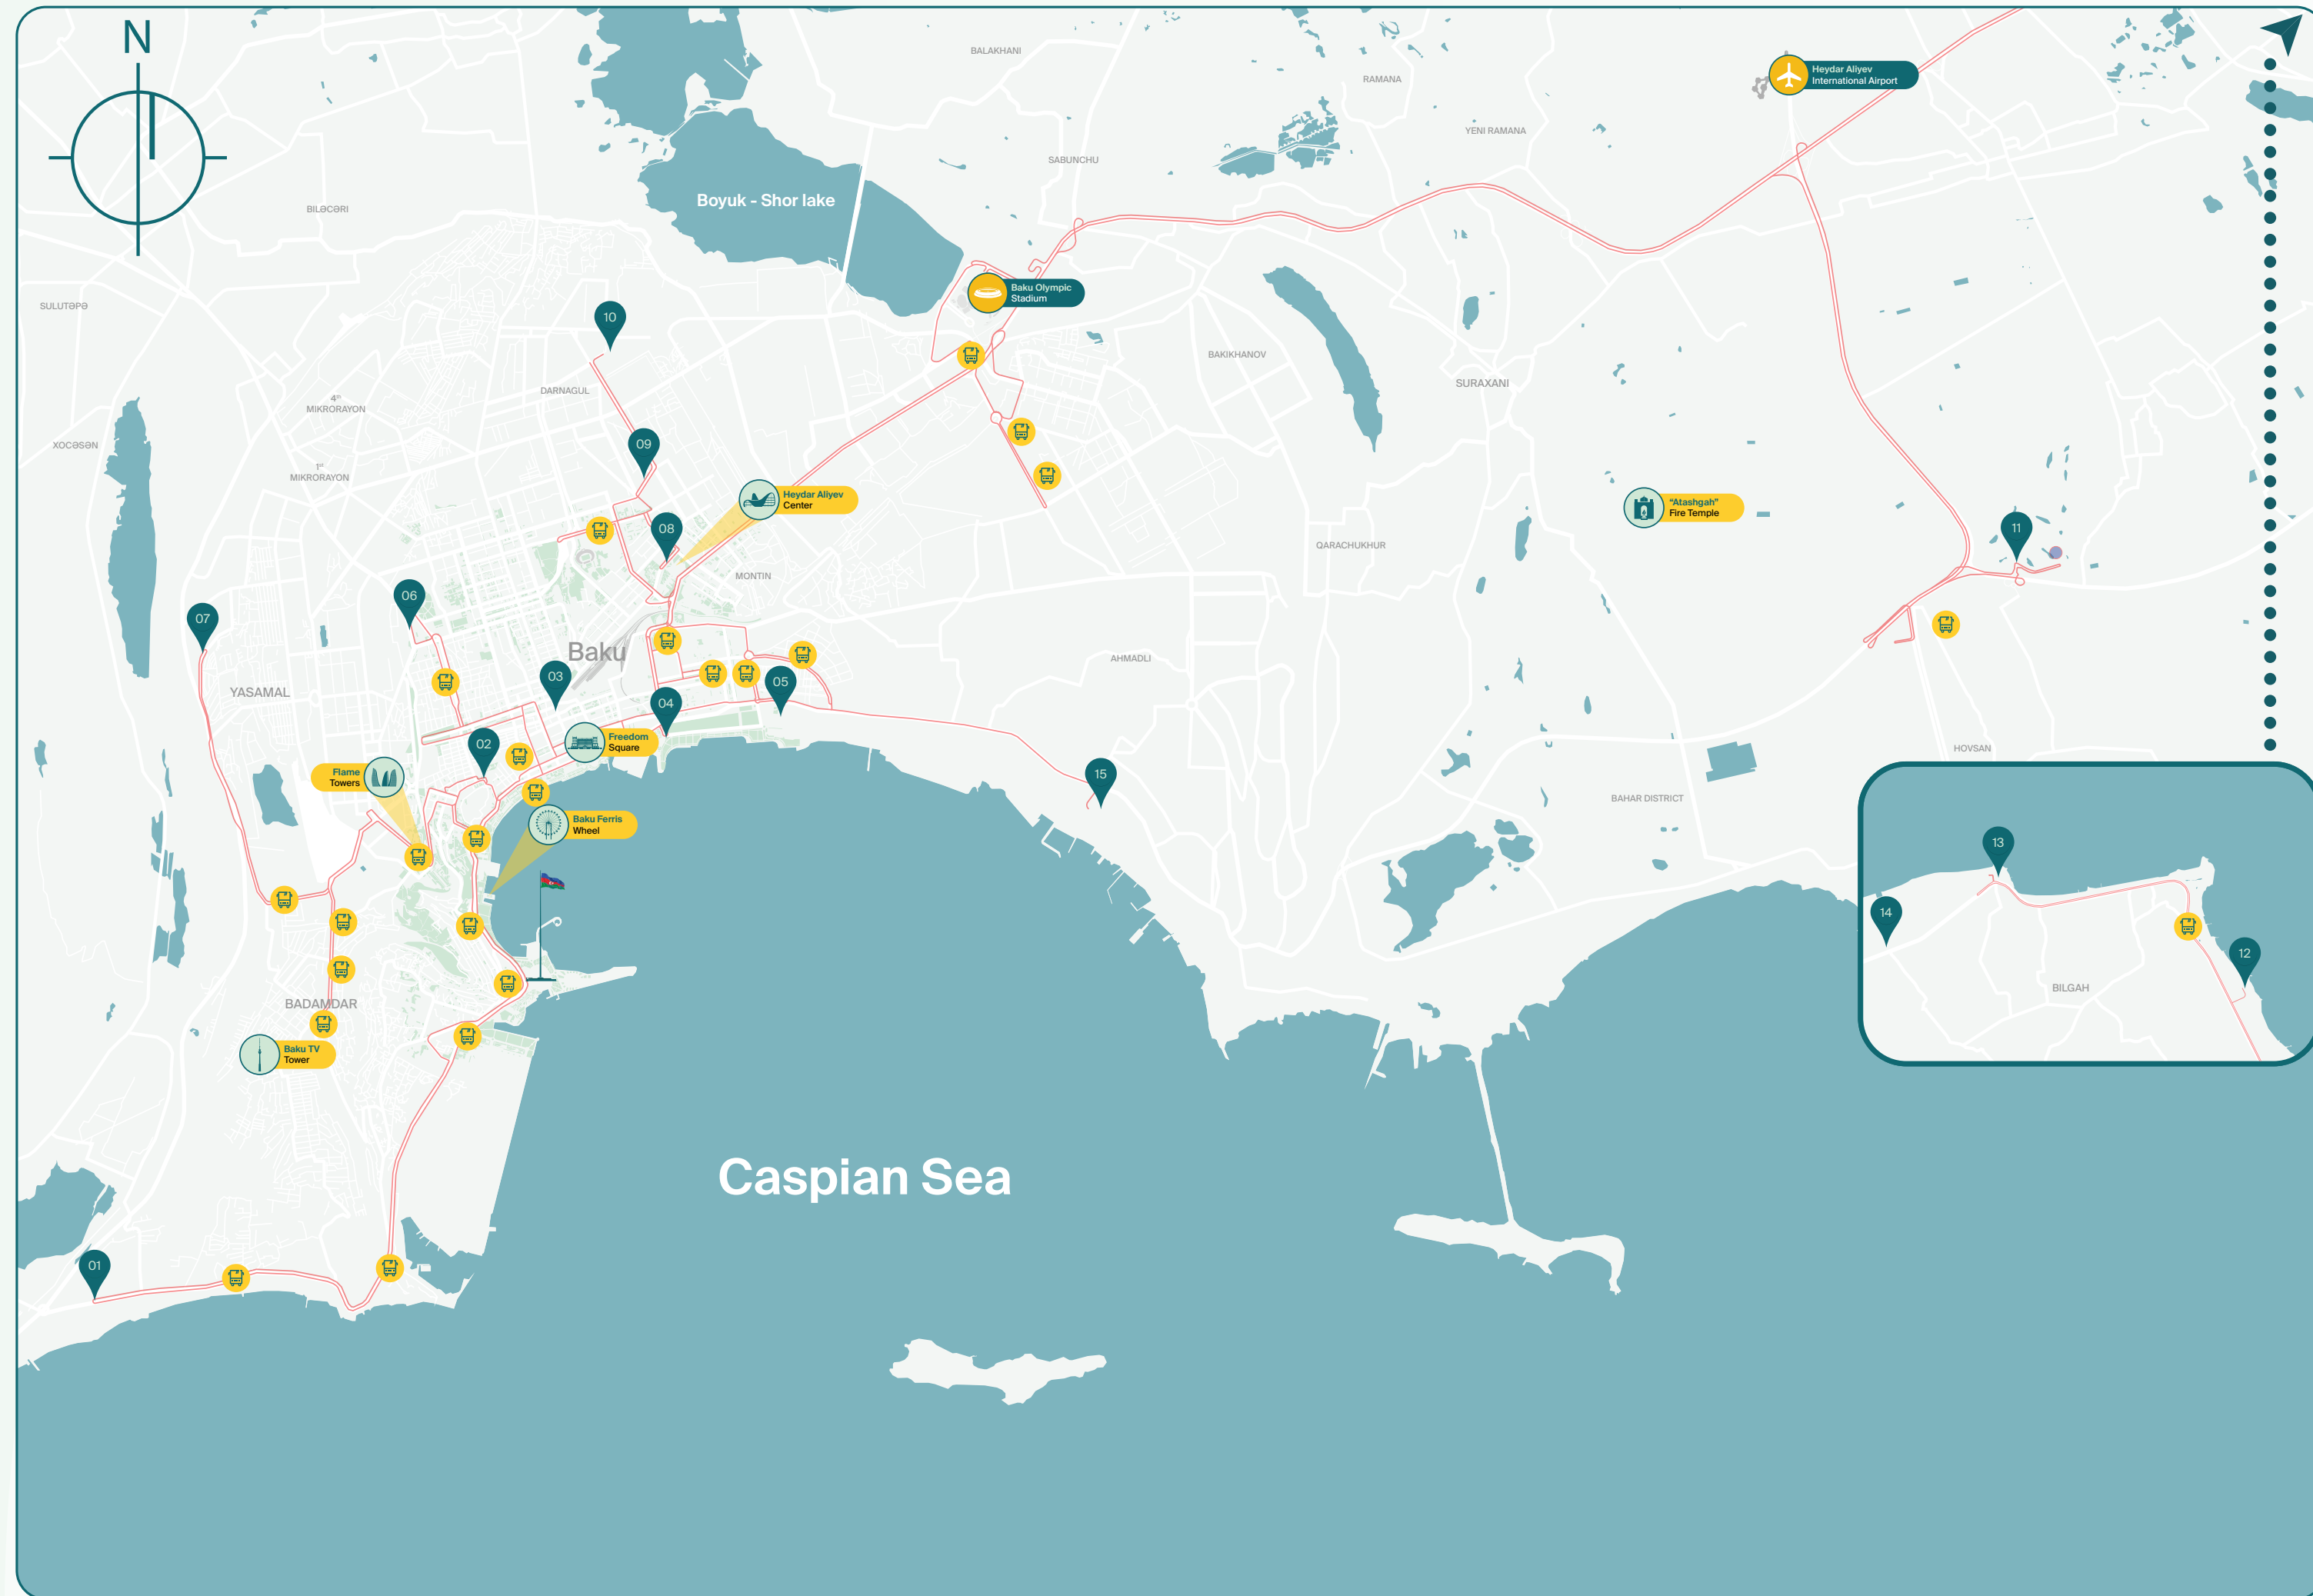

9 city hubs are positioned near major hotels, ensuring easy access and minimizing travel time to the conference venue.

## Residential Hubs

Primarily situated in central areas or near residential complexes, these hubs serve as critical points for shuttle and taxi services. 6 residential hubs are planned, with potential for expansion should new residences be added to the accommodation list.

To accommodate delegates living far from designated hubs, multiple load zones and shuttle routes will be available for pick-up and drop-off.

# Wayfinding & Navigation

Temporary event-related wayfinding system is planned to assist visitors to navigate across the city to the adjacent shuttle bus hubs/pick-up/drop-off points.

Digital navigation of the city with allocation of COP29 venues, all shuttle bus hubs/pick-up/drop-off points as well as other related POIs is also considered.

Digital navigation will be available within the venue as well. Solution aims to include digital map of the venue together with route planning functionality.

# Information Centres

To enhance the visitor experience within the city during COP29, it is planned to allocate 9 information centers throughout the city and airport.

These centers will serve as hubs for obtaining essential information, guidance, and assistance, ensuring a seamless experience for visitors and delegates attending the COP29.

1. Nizami street
2. Seaside boulevard
3. Sea breeze
4. Port Baku
5. Heydar Aliyev Palace, 28 metro station
6. Ahmad Rajabli area
7. Koroglu metro station
8. Airport, Terminal 1
9. Airport, Terminal 2

# Call Centre & Online Helpdesk

Call Center helpdesk operating on 24/7 basis to handle the various issues COP29 guests may experience.

Online Helpdesk operating on 24/7 basis through COP29 digital platforms for managing the questions from COP29 guests.

# Conference Services

# Customs Procedures

The applicable import types for COP29 goods are

Permanent

Temporary

Participants should strictly ensure that temporary imported goods are re-exported in the same quantity, weight and condition as imported.

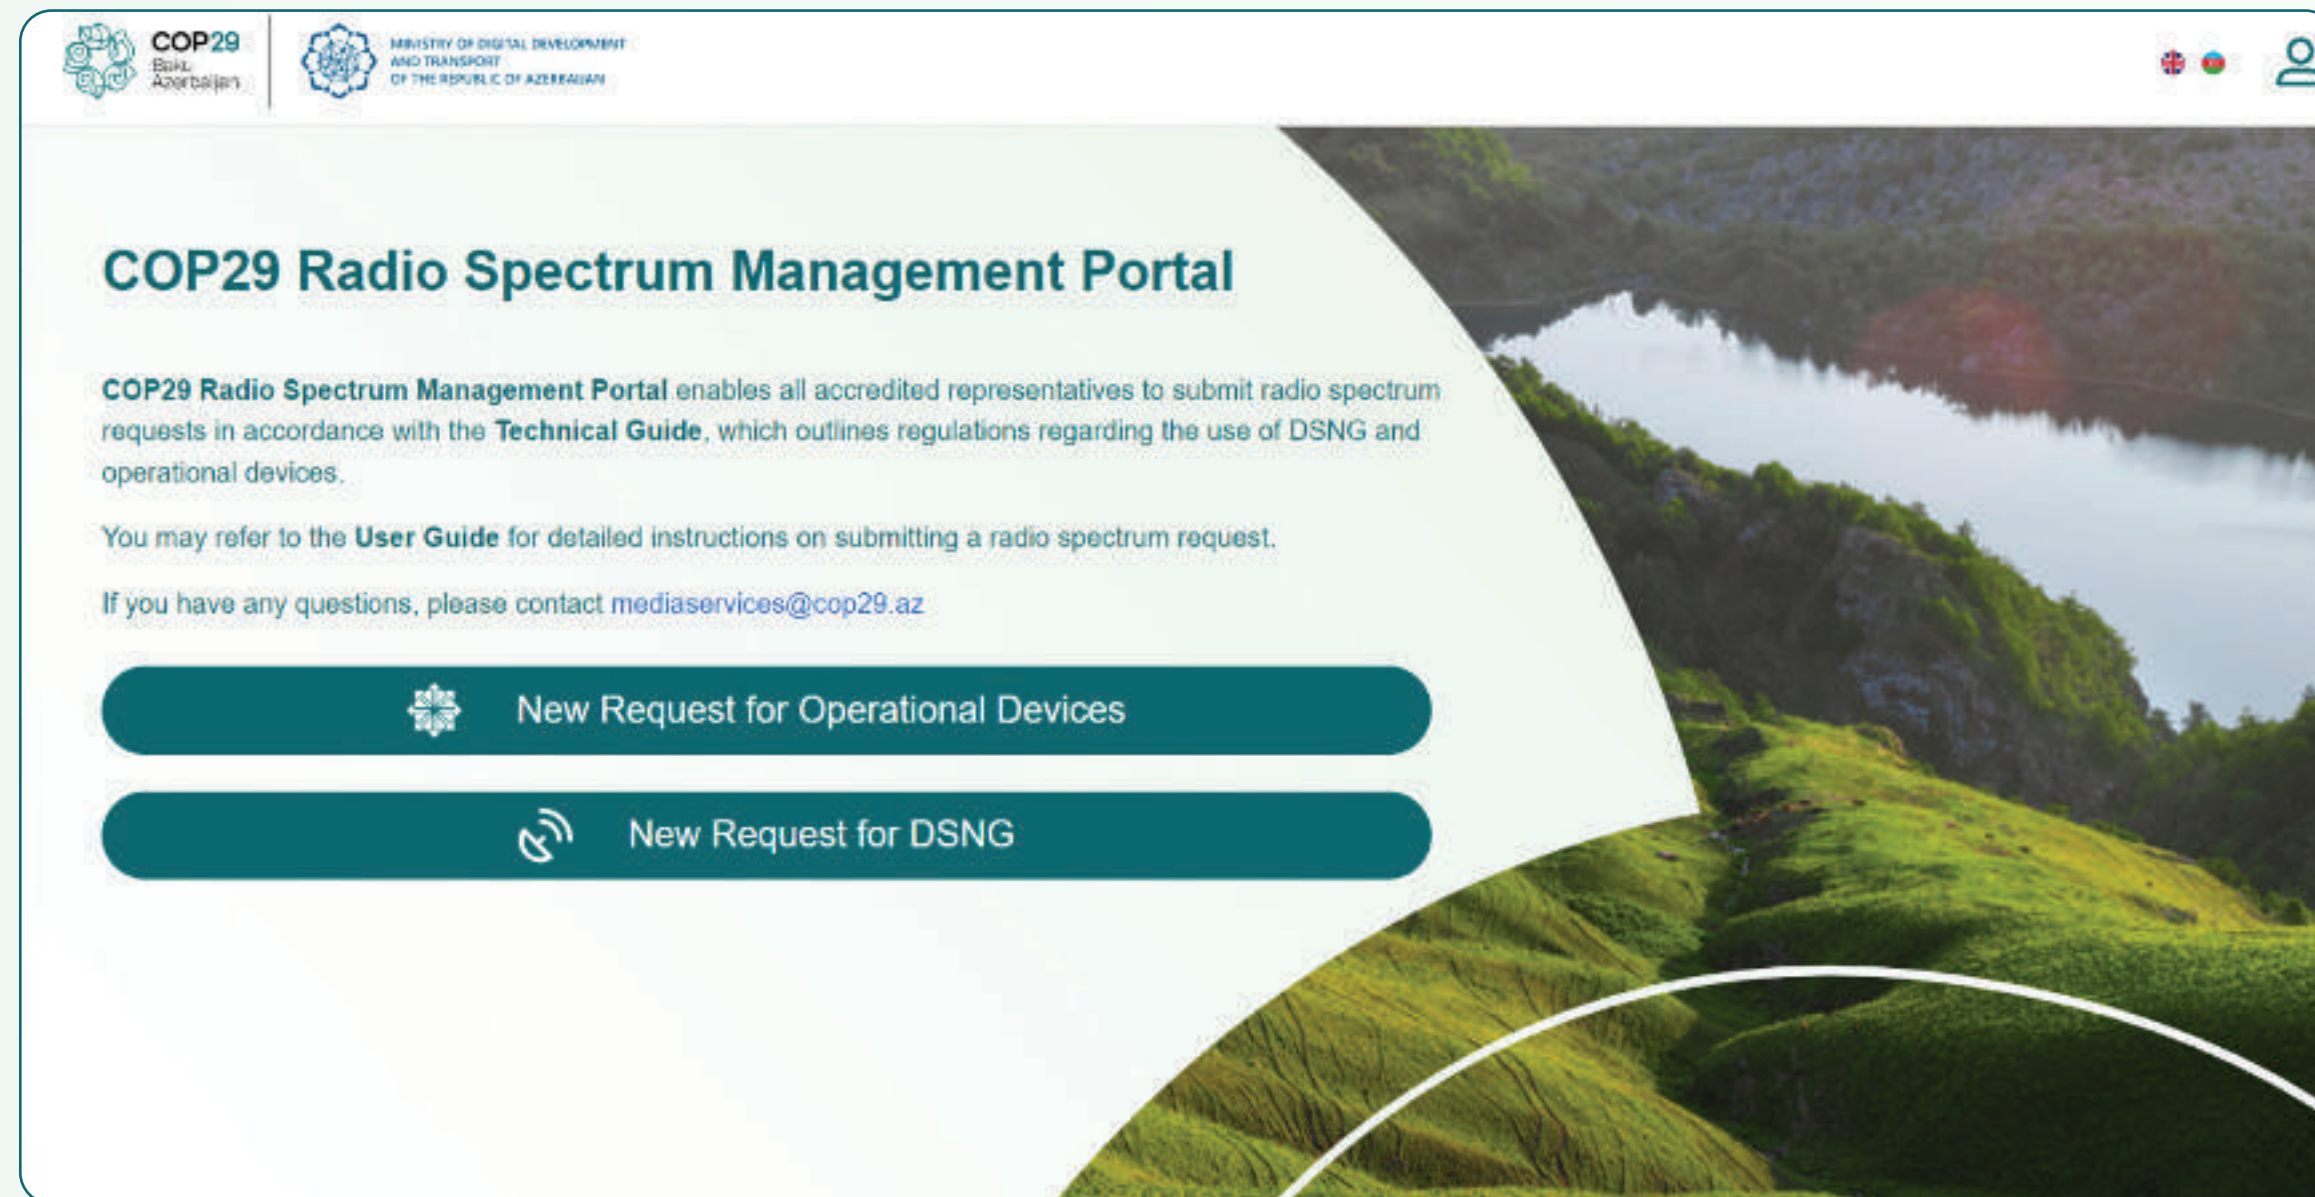

All shipments destined for the venue must first be delivered to the Official Logistics Partner's external warehouse, which serves as the central hub for both inbound and outbound shipments according to the Shipping Guide.

During the Lockdown Phase delivery to the venue is allowed only overnight from **10.00 p.m. to 05.30 a.m.**

COP29 Logistics Team

[logistics@cop29.az](mailto:logistics@cop29.az)

# Radio Spectrum Management Portal

With attending COP29 you must register your radio-electronic equipment and request temporary radio spectrum allocation upon approval of your accreditation via the UNFCCC Online Registration System through COP29 Radio Spectrum Management Portal.

The COP 29 Radio Spectrum Management portal is the only official channel for equipment registration and spectrum request submissions.

The deadline for all registrations and request submissions is **October 20, 2024, at 12:00 a.m. GMT+4.**

For any assistance with the use of the portal or the radio spectrum request submission process, please contact

[mediaservices@cop29.az](mailto:mediaservices@cop29.az)

# Interpretation & Translation Services

**Interactio** has been appointed as the official provider of commercial interpretation and translation services both for Blue Zone and Green Zone.

## Range of Interpretation services

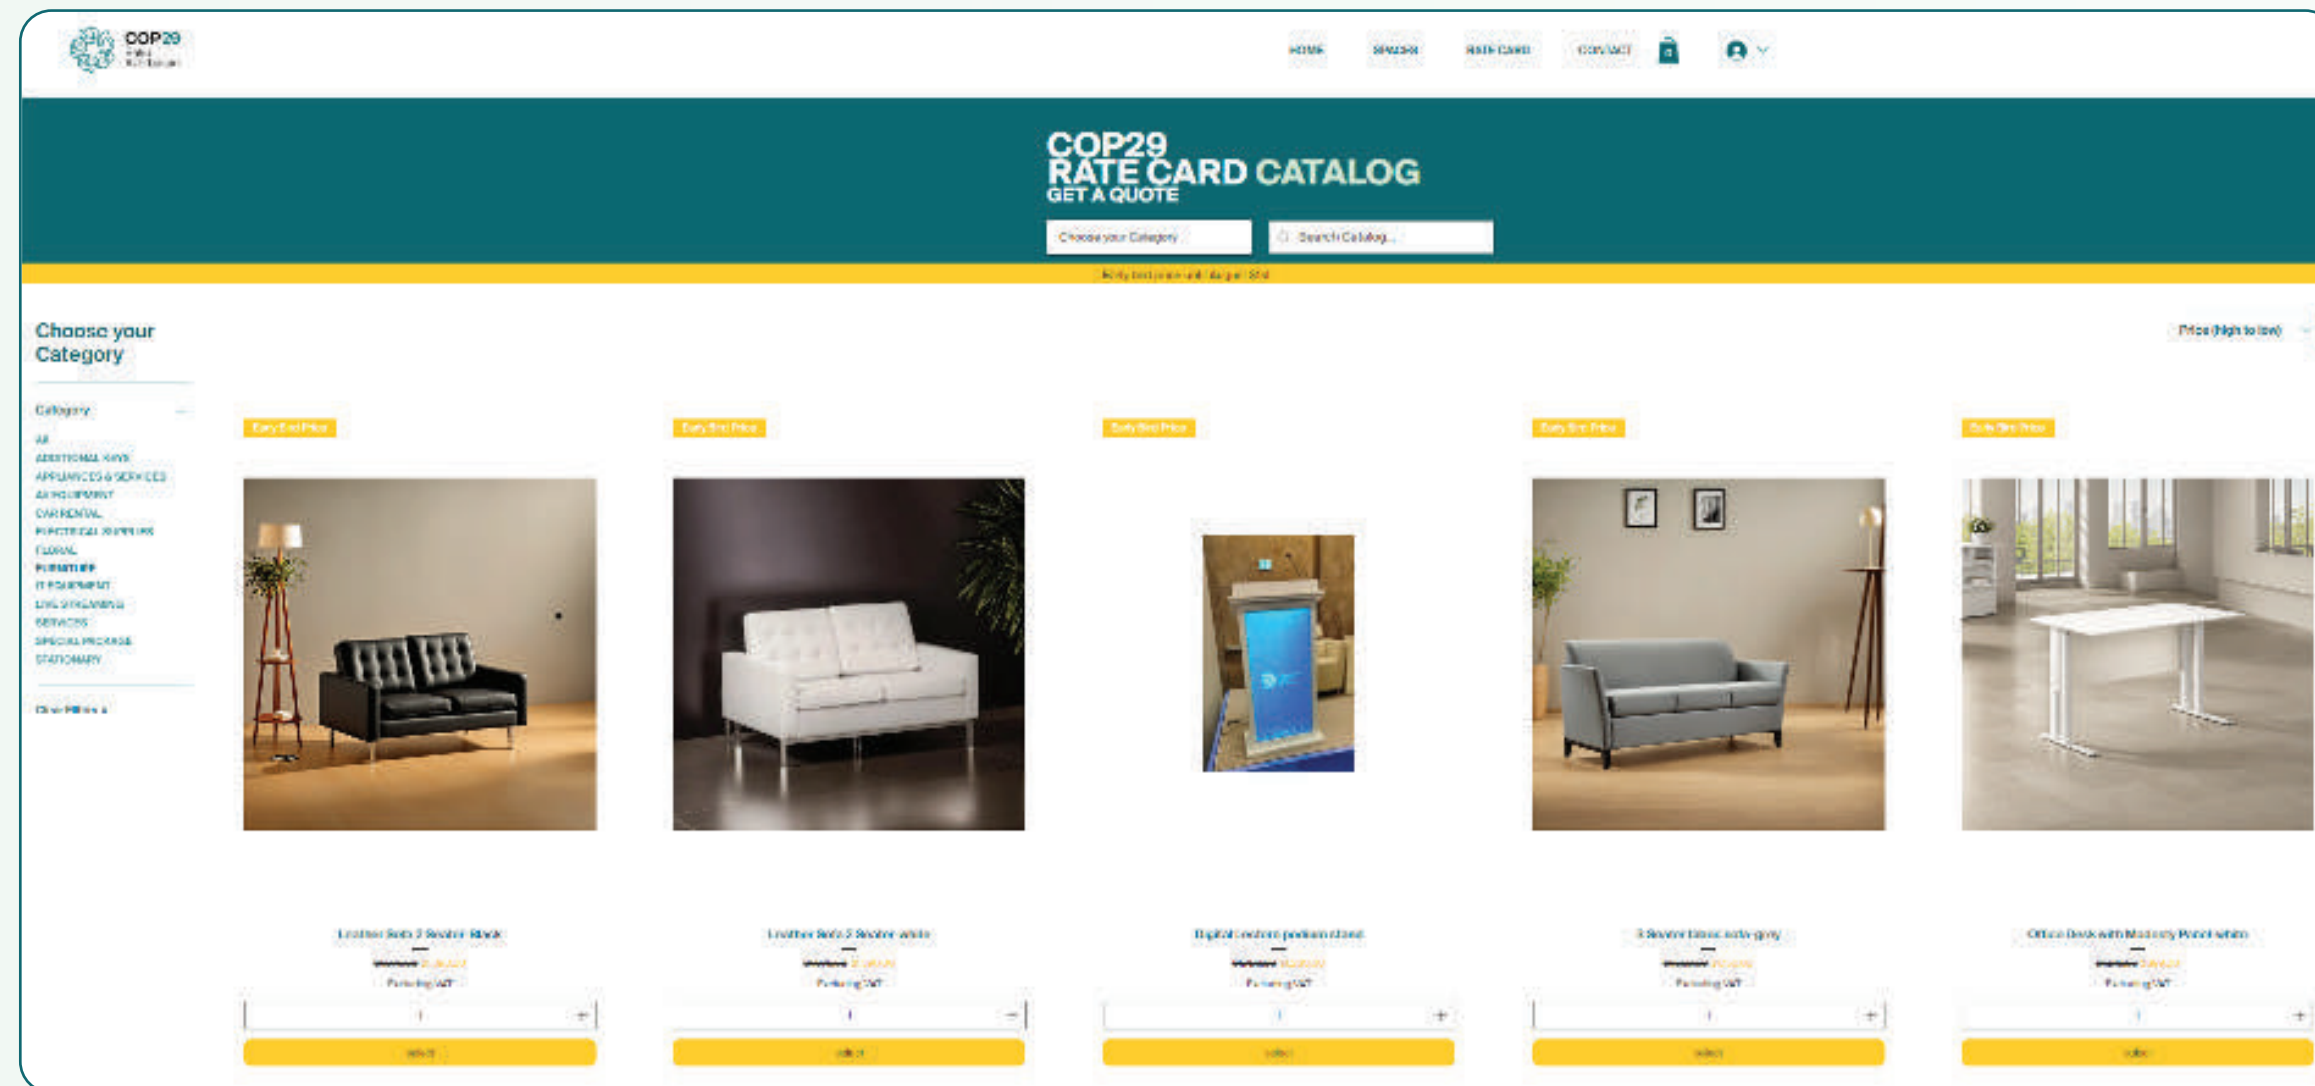

- On-site and/or Remote Simultaneous Interpretation (RSI) services for Blue and Green zones through rate card
- Provision of state-of-the-art RSI platforms, supporting both in-person and remote participants
- A team of experienced interpreters with specific expertise in large-scale conferences with proof of subject knowledge
- Backend support staff for the duration of the event

**Interpretation services booking**

[www.interactio.io/cop29-book-interpreters](http://www.interactio.io/cop29-book-interpreters)

[COP29@interactio.io](mailto:COP29@interactio.io)

# COP29 Blue Zone Rate Card

COP29 Rate Card Portal has been launched for confirmed delegations to enhance the planning and logistics processes.

The Portal provides a comprehensive and centralized resource for accessing all available rental services.

[www.cop29.services/rate-card](http://www.cop29.services/rate-card)

## The Rate Card Services:

- Additional keys
- Appliances & Services
- AV Equipment
- Car rental
- Electrical Supplies
- Floral
- Furniture
- IT Equipment
- Live Streaming
- Video & Photo Services
- Special bundle packages
- Stationary

# Guest Services

## Objectives

- Guest safety
- Welcoming environment
- Quality service
- Effective communication
- Effective issues resolution and assistance

Our 400+ solution-oriented volunteers will be there for you to assist with the following questions at the Airport, Blue and Green Zones:

- General information on COP29
- Venue wide services (Service Hub, Cloakroom, Info Points)
- Venue map and locations
- Directional information
- Complaint handling

# Catering Strategy

Learn about our approach to catering, ensuring quality and adherence to standards.

Locally sourced  
and seasonal

Nourishing and  
nutritious

Clear labelling showing  
allergy and dietary  
information

Affordable and in line  
with previous COPs

A balanced menu with  
high quality vegan,  
vegetarian and gluten-  
free options

Imaginative menus  
with Azerbaijani and  
international dishes

Application of industry  
standards and certifications  
in catering services

# Catering Facilities

## Blue Zone

### Food Court

Offering a variety of international and local cuisines, including plant based, gluten free and halal options.

### Grab & Go Stations and Coffee Corners

Conveniently located for those on the move, offering freshly brewed coffee, tea, ready to eat meals and light bites.

### Restaurants

A more refined dining experience, featuring both local and gourmet cuisine, ideal for networking and special occasions.

### Event Halls

Equipped to host special events and receptions with full catering.

# Catering Facilities

## Green Zone

### Food Court

Offering a variety of international and local cuisines, including plant based, gluten free and hall options.

### Grab & Go Stations and Coffee Corners

Conveniently located for those on move, offering freshly brewed coffee, tea, ready to eat meals and light bites.

# Catering Portal

The screenshot shows the top navigation bar of the COP29 Baku Azerbaijan catering portal. It includes a logo on the left and navigation links for Menu, Contact Us, Locations, and Select Location. A search bar and a shopping cart icon are also present. Below the navigation bar, the 'Locations' section features a search input field with the placeholder text 'Find the nearest store (i.e. address or zip code)'. Two location cards are displayed: 'Blue Zone' and 'Green Zone'. Each card shows the location name, the city 'Baku', the operating hours 'Thursday 07:00 am - 08:00 pm', and a 'DELIVERY' button.

[www.cop29.flexcatering.com](http://www.cop29.flexcatering.com)

## On-Demand Catering Portal

A dedicated portal has been launched to facilitate catering services for the COP29 climate conference. Various catering services operating at the event venue are showcased on a unified portal, designed to enhance participant convenience.

Through the portal, participants in the Green Zone and Blue Zone will have the opportunity to place individual meal orders, as well as request services for tea and lunch breaks, along with snack provisions for guests.

# Media Services

# Permissions and Procedures

Permission will be required for the following:

**Media equipment temporarily imported to Azerbaijan**

**All wireless and radio-frequency devices entering the territory of Azerbaijan**

Comprehensive information regarding the procedures for obtaining permits will be disclosed within the designated period and with media logistics notes. Drones will not be permitted for use at COP29 and are not allowed to be brought into Azerbaijan.

# Funding for Participation of SIDS

The Government of Azerbaijan will provide funding for:

**4** members of delegation to cover accommodation

**50%** of Daily Subsistence Allowance (DSA) as accommodation will be provided;

**100%** of flight tickets and terminal expenses

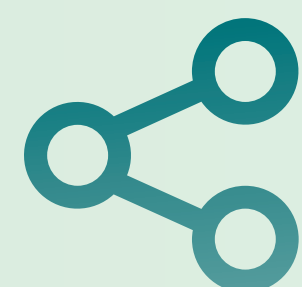

In addition to the support for four members of the delegations headed by the Head of State/Head of Government, and to the support provided to the three members of delegation funded by the Trust Fund for Participation (TFP) in the UNFCCC process.

The Government of Azerbaijan has also pledged a generous contribution to the **Trust Fund for Participation.**

To ensure that funding requests are addressed in a timely manner, nominations for funding should be entered in the online registration system (<https://onlinereg.unfccc.int/>) by **Friday, 18 October 2024.**
