

Calling Local Communities Working on Climate Action

to Sign Up and Stay Connected

The incoming COP 30 Presidency is inviting local communities around the world to join a growing network in support of inclusive climate action. This effort is part of the implementation of UNFCCC COP [decision 14/CP.29](#), paragraph 15, which encourages Parties to further engage local communities, given their vital role in addressing climate change.

The following mandated dialogues and workshop will be hosted, in line with the COP Decision:

1st Dialogue

3 Sep (Climate Week 2) | Addis Ababa, Ethiopia

2nd Dialogue

13 / 14 Oct (Pre-COP) | Brasilia, Brazil

Thematic Workshop

In conjunction with COP 30 | Belém, Brazil

More details will be available on the LCIPP WebPortal:
[Click here](#)

The incoming COP 30 Presidency has also established the Circle of the Peoples to broaden the participation of stakeholders in the climate regime. It is composed of:

- the International Indigenous Commission;
- the International Commission of Traditional Communities, People of African Descent and Family Farmers.

The International Commission of Traditional Communities, People of African Descent and Family Farmers (launched in Brasilia, Brazil on 29 May 2025) held its first meeting on 18 June in Bonn, Germany. The second meeting is scheduled for 2 September in Addis Ababa, Ethiopia. Four virtual thematic workshops are also being planned, the first of which will take place on 8 August.

Are you part of a local community?

Are you implementing locally led climate solutions?
