Activities under the Baku Workplan of the LCIPP

14th meeting of the Facilitative Working Group of the LCIPP (FWG 14)

FWG 14 brought together the global community, welcoming the largest number of observers, including Indigenous Peoples and local communities, to a constituted body meeting.

At FWG 14, the FWG adopted the Care Principles to further operationalize the UNFCCC Code of Conduct and ensure that respect and care guide our collective efforts.

LCIPP Fifth Annual Gathering of Knowledge Holders (Coordination meeting): *Ambitious and Just Climate Action Rooted in Holistic Stewardship*

The Fifth Annual Gathering created space for Indigenous knowledge holders and local knowledge holders to explore holistic ambition, resilience and stewardship, transitions, and futures through four sharing circles.

LCIPP Annual Seventh-Generation Round Table:

Intergenerational Knowledge Exchange for Collective Continuance of Knowledge Systems, Cultural Heritage, and Stewardship with Nature

As an intergenerational dialogue, the Round Table centered on responsibilities to future generations. Indigenous youth and youth from local communities gathered to highlight their climate leadership and explore continuity of cultural heritage and knowledge systems, and holistic stewardship of living systems.

LCIPP Annual Intergenerational Dialogue:

Co-Creating Actionable Pathways for Incorporating Diverse Knowledge Systems into Ambitious and Just Climate Action

The Annual Dialogue brought together Indigenous Peoples, local communities, Parties, UNFCCC constituted bodies and other LCIPP contributors to exchange on the outcomes of the Seventh-Generation Round Table. The session was structured around three policy round tables focused on Nationally Determined Contributions and National Adaptation Plans, just transition, and the Global Biodiversity Framework and Global Goal on Adaptation.

Baku Workplan Collective Approach 3

LCIPP Fifth Annual Dialogue for Indigenous Peoples, Local Communities, Parties, Constituted Bodies, Workstreams and other Contributors:

Ambitious and Just Climate Action Rooted in Holistic Stewardship

The Annual Dialogue focused on integrating diverse knowledge systems and values to strengthen the collective response to climate change and restore the integrity of nature. Knowledge holders shared key messages and recommendations from the Annual Gathering. Parties, constituted bodies and workstreams under the UNFCCC, and other contributors then reflected on these rich and holistic outcomes through four exchange spaces, each dedicated to one of the Gathering's sharing circle topics.
